

A founding theological belief of Donvale Christian College (the 'College') is that parents have been called by God to raise their children. The College seeks to honour the role of parents and support them as they seek "to perform their task with constant prayer that the Spirit may enable them to be good instruments in His hands for bringing the children up in the discipline and instruction of the Lord" (Educational Creed).

The College is committed to providing a safe environment for all children. Our example of God as a father, nurturing his children throughout their life journey through his provision of love and guidance is an image of God as the supreme 'care giver'. Jesus speaks very strongly on the value and care of children in a number of places in the scriptures. This establishes the foundation that the College is a community that work together in partnership to establish a safe and supportive environment for all children in its care, enhancing learning opportunities and fostering spiritual, emotional, social and academic development.

Because a Christian school is called to be faithful and just, school leadership has the authority and obligation to ensure that the College environment is a safe place for all children, free of child abuse, discrimination, harassment, sexual harassment/abuse, vilification, victimisation and bullying. The College will actively take a strong stand on Child Protection.

Donvale Christian College has developed the following Child Protection and Safety Policy. This policy is an overarching document that provides key elements of our approach to protecting children from abuse.

The policy forms the foundation of the College's procedures, practices, decision-making processes and ultimately the College's culture with respect to child safety.

The College's Child Protection and Safety Policy has been approved and endorsed by the College Board and is regularly reviewed by the Board.

At Donvale Christian College we have a zero tolerance for child abuse and are committed to acting in children's best interests and keeping them safe from harm. The College regards its child protection responsibilities with the utmost importance and as such, is committed to providing the necessary resources to ensure compliance with all relevant child protection laws and regulations and maintain a child safe culture.
