

Summary of Subjects Offered

Students in Year 7 and 8 rotate through 6 different Arts and Technology courses. Students undertake each rotation for 6 weeks with 2 x 75 minute classes per week.

In addition to the 6-week rotation courses, students in Year 8 may also select 2 x single semester elective subjects.

Year 7 Rotation Courses	Year 8 Rotation Courses	Year 8 Electives
Design Technology Drama Food Studies Media Music Visual Art Visual Communication and Design	Design Technology Drama Food Studies Music Visual Art Visual Communication and Design	Coding Dance Design Technology Media Art – Plus* German – Plus* Music – Plus*

** Visual Art, German and Music are also part of the core Year 8 program. These electives can be selected in addition to the core subjects to allow students to study the subject in greater depth and help provide a good foundation for further studies in these subject areas during subsequent year levels.*
